Peduba Cleaning Services
Management and Staff Hierarchy
Pefago Pty Ltd (Peduba Cleaning Services), FKN solutions and Global Chemicals Aus. are established providers of industrial solutions, chemical products and professional cleaning services for past 38 years.

The entities operate as an integrated manufacturing, distribution and service business, with Pefago Pty Ltd ATF the Axiak Family Trust (Peduba) serving as the operational and technical driver through frontline industrial service delivery and chemical application. Product specifications developed from field operations are manufactured by Global Chemicals Australia Pty Ltd, with wholesale supply managed by F.K.N. Solutions.
